TURTLE LAKES CHAIN

Management Goal 2: Control existing AIS in the Turtle Lakes chain and prevent further AIS introductions.

Continue clean boats clean waters (CBCW) watercraft inspection at Turtle Lakes chain public access sites.

1. 21 CBCW volunteers identified and trained by NLDC or Vilas WDNR.
2. Kick-off cookout at boat landing each June.
3. Staff/Support major WDNR landing Blitz Events. June 5-6, 2021 Blitz yielded 22 volunteer hours, 13 boats at 2 landings, 27 individuals interviewed by 9 certified inspectors.
4. Remainder at volunteer convenience.

Management Goal 2: Control existing AIS in the Turtle Lakes Chain and prevent further AIS introductions.

Continue annual volunteer monitoring for AIS in the Turtle Lakes Chain.

1. Established Lake Representatives for each Lake.
2. AIS monitoring and removal program communicated in “The Rag” and on website (thetlca.org)
3. Many AIS volunteers are the same as CBCW.
4. NLDC trained people on AIS ID. Samples submitted to confirm identity
5. Purple Loosestrife (1 site) and Yellow Iris (60 sites) only plant AIS on Chain.

Management Goal 3: Increase the TLCA's Capacity to Communicate with Lake Shareholders and Facilitate Partnerships with other Management Entities.

1. 2X /Year publication of "The Rag" and creation of thetlca.org website. Email and direct mail contact when appropriate.
2. TLCA and/or TLCA Board members have established contacts and relationships with Winchester Town Lakes Committee, Vilas County Lakes & Rivers, WDNR, NLDC, Vilas Co. Land & Water and Onterra.

Management Goal 4: Improve Turtle Lakes Chain Ecological Health and Fisheries Resource.

1. Educate stakeholders on the importance of shoreland condition and restoration on Turtle Lakes Chain.
(Approximately 11% of the Turtle Chain shoreline is considered completely urbanized or developed unnatural)
2. Work with private land owners to expand coarse woody habitat in Turtle Lakes Chain.
